

CLARK SKAMANIA FLYFISHERS ANNUAL PICNIC—JULY 22

By **Don Kohler**

CSF will hold its annual picnic on Sunday, July 22 at Lewisville Park on the banks of the East Fork of the Lewis River. We will be having the event in the Dogwood Picnic Shelter as we did last year. A casting contest was held last year and everyone enjoyed the informal competition. We will again be testing your skills with the fly rod with prizes awarded to both women and men. The judges will be some of your fellow members. We plan on starting the contest at high noon. Rods will be provided by the club, so come out, give it a try, and test your skills. Side bets are always a way of making the event more interesting.

Since this is a potluck, members are invited to bring their favorite dish. If your last name starts with A through L, please bring a side dish, salad, beans, fruit or your special picnic fare. If your last name starts with M through Z please bring a dessert. Water and soft drinks will be provided. With any luck, **Marty Fish** will bring some of his famous pickles. This year **Steve Muhich** has volunteered to provide the main course and will be making brisket. We will also have chicken.

Remember that there is a \$3.00 parking fee. The booth at the entrance will be staffed to provide assistance and take cash or card.

The park is located two miles north of Battle Ground off SR-503 alongside the East Fork of the Lewis River. CSF club signs will be placed inside the park to direct everyone to the Dogwood Picnic Shelter. If you have questions, please contact **Don Kohler**, 503-891-5486, moabman07@gmail.com.
