

CSF Tyers' Night

The CSF Tyers' Night will be held every second Wednesday of the month except August, from 7:00 to 9:00 P.M. at the Washington Department of Fish and Wildlife building on Grand Boulevard in Vancouver.

The CSF Tyers' Night offers our members and guests the opportunity to gather for fellowship and fly-tying. Participants informally teach each other new flies and tying techniques. The event is designed to accommodate all levels of fly-tying skills and typically includes individuals new to tying all the way up to professional tyers. It has become a very popular club activity.

Bring your tying tools. Even if you don't have the right materials, there's always some available to share or borrow. Generally, we try to focus on fly patterns that may be effective for upcoming club outings. Non-fly-tyers are welcome to watch the tyers.

If you are interested and have any questions, contact Kuni Masuda at 360-573-3310, klmasuda@yahoo.com and he will be happy to help you.
